

Bipartisan Influence: PTPAC's Strategic Role in the 2023-2024 Election Cycle

Serving as the voice for the physical therapy profession, PTPAC actively participated in numerous races, supporting friends in Congress. Our investments support both parties, reflecting PTPAC's commitment that we are a physical therapy political action committee and not aligned to one party or the other.

PTPAC Disbursed \$1,071,224

\$535,999 for Democrats/Independents

\$535,225 for Republicans

\$810,724 for House of Representatives

\$260,500 for U.S. Senate

House Committee Breakdown (Total: \$810,724)

Energy & Commerce Committee: \$190,000

APTA Member PTPAC Giving Patterns:

93% of the candidates supported by PTPAC won on election day

Supported **196** candidates in this year's election

Ranked **eighth** among all health care provider PACs in disbursements to candidates running for Congress

"Physical therapy changes lives. Now, let's change laws." — PTPAC Chair Sandy Norby, PT, DPT

As we enter a new Congress, the continued support and engagement of APTA members are crucial in ensuring that the physical therapy profession's voice remains influential in shaping the future of health care policy. More participation is needed to protect our clinics and the patients we serve.
